

THE VISION AND DIRECTION

*To Produce
exceptional
value and be
renowned for it*

Tyres & More breaks away from the mould of the traditional tyre shops. Our stores offer clean, welcoming, friendly surroundings to improve our customers' experience and to keep them returning to their local Tyres & More store.

The name Tyres & More was created with specific intentions. The "More" represents the extras, the added value, the range of products and services and the lengths we will go to in order to ensure our customers leave happy and return happy.
